**Attachments:** Indaver Rivenhall IWMF & Energy Centre project update.pdf

Dear Claire,

The Indaver team thought it may be helpful to send you this information leaflet which sets in context their current plans. Whilst not forming part of our current application to discharge condition 66, it does nonetheless set that condition into a relevant context. If you find it helpful, please feel free to pass onto members of the relevant planning committee for their information and use.

Kind Regards

**Christopher Lecointe**
