

**The London Borough of Haringey (High Road West Phase A) Compulsory Purchase Order 2023**

**Note on the Development Agreement [CD5.16]**

- 1.1 The Development Agreement (“**DA**”) was entered into between The Mayor and Burgesses of the London Borough of Haringey, Lendlease (High Road West) Limited and Lendlease Corporation Limited on 20 December 2017.
- 1.2 Conformed copies of the DA have been disclosed, as **CD5.05** and **CD5.16**. The latter was provided with additional text unredacted (as shown in blue highlight in **CD5.16**) and following a variation of the DA entered into by the parties (the new text inserted by the variation is shown underlined in **CD5.16**). That variation was entered into by way of a deed of variation on 11 October 2023.
- 1.3 A conformed copy is one in which the DA is shown ‘as varied’ and which is therefore easier to read. It provides a convenient means to combine and therefore read the original DA and the separate deed of variation together, without having to refer to different documents. As the conformed version is not a copy of an original legal document, it is not itself signed or dated.
