Dear All,

I am writing to confirm that the parties have put in place an Asset Protection Agreement resolving NGET's objection to the Orders. Accordingly NGET withdraw their objection to the CPO and Side Roads Order as of today's date.

NGET will no longer need to appear on the 8th May and NGET's attendance can be vacated/removed from the list.

I trust this is all in order but should you require any further information, please do not hesitate to contact me.

Kind regards

Abigail

Dear Joanna,

Further to my earlier e-mail just to confirm in relation to the National Grid Electricity Transmission Plc Objection to the above orders. NGET and OCC have been in discussion over the terms of an APA to resolve NGET's objections to the Side Roads Order and the Compulsory Purchase Order to ensure adequate protection for the Apparatus and land rights to the same.

The terms of the Asset Protection Agreement has now been agreed and both parties are in the process of executing the agreement in counter part. It is anticipated that both parties will have executed the agreement and agreed to date the documentation and put it into place by the end of this week. Once the documentation is in place NGET will withdraw their objection to the scheme and confirm that they do not need to appear on the 8th May.

Unfortunately at this point in time, NGET cannot remove their objection until the APA is in place. However it is anticipated that this will be possible by the end of the week and we will provide a further update at that point.

Kind regards

Abigail
